The Challenge

- Succession planning becomes a challenge to manage manually after about 250 employees
 - Usually 10% of EE's are Key Roles
- Large HRIS do not prioritize succession planning
- Most companies use Excel
 - Hard to prepare key reports in a presentable way
 - Difficult to collaborate
 - Impossible to automate

About SuccessionHR

- First HR Software focused on succession planning
 - No more countless hours spent on Excel/PPT
 - Easily prepare Executive Reports to share
 - Multiple Users available to optimize collaboration
- Serving US, CAD, UK, EU, and AUS
- Over 65+ integrations with HRIS providers
 - Most customers with ADP, Workday, UKG, SAP
