About CommLab India

Established in 2000, CommLab India is the sought-after global leader for rapid eLearning solutions. We live by the motto 'Customer First' and ensure we are available 24/7 for them.

As Training & L&D professionals, we understand your world of time and budgetary constraints! We create rapid learning solutions that will impact your business by enhancing employee performance. We ensure you get holistic eLearning services by offering everything under one roof – so you don't have to deal with multiple vendors anymore.

The industry consistently ranks us among the top providers of blended learning, rapid eLearning, and microlearning solutions. We ensure L&D pros stay on top of their game with our regular thought leadership pieces – articles, eBooks, webinars, workshops, and more.
