ATD CI Certification Changes

January 30, 2020
AGENDA

Why are we changing?
What is changing?
As an candidate, how does this affect me?
Recertification Changes

1. Why change?

Let’s start with the basics
Factors Influencing the Change

- Talent Development **Capability** Model
- Certification industry **best practices**
- Satisfaction survey **results**
- Trends in **professional development**

Goals for the Change

- Increase **face value**
- Better candidate **experience**
- Provide measurement against a standard that’s **reliable and valid**
How did we do it?

- Separate Test Specification Meetings for both certifications in June 2019 with APTDs and CPLPs in attendance

- Consulted with psychometric experts with experience in test design and advanced item types

- Small focus group discussions and individual interviews with APTDs and CPLPs to discuss process changes

- Discussions with ATD internal partners (Education, Global, Enterprise, Chapters)
2. What is Changing
APTD first, then CPLP
APTD Eligibility Requirement

**Current Requirement**
*through March 15*

3 years or 36 months of talent development work experience

**New Requirement**
*starting April 1*

3 years or 36 months of talent development work experience
**AND**
28 hours of professional development within the last 3 years

**The Why** - to help certificants go into the certification process with a strong foundation needed for a professional credential and to build the knowledge base covered on the exam.
Content of the APTD

Current Content
through June

Based on the Competency Model, included content from ID, TD, LT with threads of ELI and GM.

Knowledge-based multiple choice questions

New Content
starting July 2020

Grounded in the Capability Model, includes subset of content from 22 capabilities and 8 new concepts.

Still knowledge-based multiple choice questions.
The new exam covers all of the content of the current exam PLUS a subset of concepts from:

- Emotional Intelligence & Decision Making
- Organizational Development & Culture
- Collaboration & Leadership
- Talent Strategy & Management
- Career & Leadership Development
- Performance Improvement
- Business Insight
- Change Management
Content of the APTD

20% Personal Capability Content

50% Professional Capability Content

30% Organizational Capability Content
More APTD Changes

- No more test outs exams after June 2020.
- You can use ANY ATD Master designation to satisfy Professional Development requirement.
- Starting April 1, the cost changes: $499 for ATD members and $699 for non-members.
- An upload of a resume will be required as part of the application.
- Earning the APTD satisfies the Professional Development requirement for the senior-level certification and allows for just 4 years of work experience instead of 5 years.
Changes to the CPLP
First, the Name

- The content is broader, owing to a broader scope of practice outlined in Capability Model.

- Today’s professional can be in many different roles.

- The impact of the work you do can also be outside the Learning and Performance realm.

Certified Professional in Talent Development
CPTD Eligibility Requirement

**Current Requirement** through March 15

5 years or 60 months of talent development work experience

**New Requirement** starting April 1

5 years or 60 months of talent development work experience

**AND**

60 hours of professional development within the last 5 years

The Why - to help certificants go into the certification process with a strong foundation needed for a professional credential and to build the knowledge base covered on the exam.
Content of the CPTD

**Current Content**
*through June*

Based on the Competency Model, included content from all 10 Areas of Expertise and Global Mindset

**New Content**
*starting July 2020*

Grounded in the Capability Model, includes a subset of content from all 3 Domains of Practice
Content of the CPTD

- **Personal Capability Content**: 20%
- **Professional Capability Content**: 45%
- **Organizational Capability Content**: 35%
Process of Earning the CPTD

Current Process
through June

Pass Knowledge Exam
Pass Skills Application Exam

New Process
starting July 2020

Pass One Skill-based Exam

⚠️ Case Management questions join multiple choice questions to test the candidate’s ability to apply knowledge and use professional judgement to make decisions

⚠️ Scoring will be instant; no more waiting for results
The New Case Management Question

Imitates real-life; uses professional judgement to solve

Short background to set the scene

Multiple selection question where candidate must choose all acceptable responses. Correct responses will be scored as correct (+1); incorrect responses (or not yet correct) will be scored as incorrect (-1).

Candidates are not allowed to go back and change any responses during the course of answering these items.

The question continues with the next event that happens in the story and the candidate is asked what should be done next and so on.
More CPTD Changes

- Pilot of new CPTD exam is August 2020.
- Only administration with delayed scoring; instant scoring thereafter
- Pilot administration will have incentives (Applications open April 1.)

- No more test outs exams after May 2020’s last KE; you can use ANY ATD Master designation or the APTD to satisfy Professional Development requirement.
- Earning the APTD also allows for just 4 years of work experience instead of 5 years.

- One measurement tool against the industry’s standards; no more specialized content tracks
Universal Changes

▲ New Application System with comprehensive certification dashboard to cater to lifecycle of ATD CI stakeholder

▲ Easier to navigate
▲ Secure messaging for communicating issues/requests
▲ Track your professional development and count your work experience to know when you’re eligible to apply
▲ Clear messaging about your status throughout the process
▲ Schedule your exam directly from the platform
▲ One-stop for all of your certification needs
Universal Changes

Test Authorizations for 90-day Window Sets that span 2 testing windows to give candidates more flexibility when scheduling and eliminate the need to transfer as often.

18-months of eligibility starting with new applications

4. Recertification Changes
Recertification

NO ADDITIONAL ASSESSMENTS

Anyone recertifying between now and April 30, 2021 will have no changes to their recertification at this time.

Starting with recertification dates of May 1, 2021 and after, current certificants must include continuing education points within the content of the new areas covered in the Talent Development Capability Model.

Candidates testing with the new content will only need to include a minimum number of hours/points of continuing education for recertification.

APTDs need minimum 15 points/hours in 3 years
CPTDs need minimum 20 points/hours in 3 years
Beginning in April, certificants will be able to track recertification points online with an easy-to-use, visual tracker and recertify entirely online in a secure environment!
