

ENHANCE YOUR CAREER

Webcast: Cultural Agility for Business Transformation

In this webcast, facilitators Mercedes Martin and Hasan Rafiq from Ernst and Young emphasize the need to focus on leadership readiness particularly with respect to transformation in global environment.

Mercedes Martin works in organization development and is an executive coach in leadership development for Ernst and Young. She is responsible for the South America region and Hasan Rafiq is part of the MENA (Middle Eastern region) diversity and inclusiveness team for Ernst and Young and is a cross cultural transformation expert focussed on cultural agility for global leadership.

As an OD/ HR Professional you will learn to define specific terms related to leadership development and business transformation, recognize breakthrough approaches in leadership development and how they impact culture, understand your action logic and possibilities for changing it, and apply this information to develop your own personal action plan.
