Rehearsal VRP Wins Gold & Silver Excellence Awards in Technology

Reno, NV ([PRWEB](#)) December 10, 2015 -- Rehearsal VRP, a leader in innovative video-based practice, won a coveted Brandon Hall Group Gold award for the Best Advance in Software for a Training Company and a Silver award for Best Advance in Coaching category. Rehearsal VRP's win was announced on December 3, 2015 by The Brandon Hall Group via webcast. The winners are listed at <http://www.brandonhall.com/excellenceawards/past-winners.html>.

“2015 has been a breakout year for Rehearsal as we have seen strong customer adoption and triple digit sales growth. Receiving a Gold and Silver award from The Brandon Hall Group further legitimizes our efforts among our peers and is a great finish to an amazing year” said Rehearsal VRP CEO, Darik Volpa.

“Our award winners are the most visionary and innovative developers of HCM technology solutions that move organizations forward in serving employees, customers and investors,” said Brandon Hall Group Chief Operating Officer Rachel Cooke, who runs the awards program. “I think everyone can learn from the achievements of our award recipients.”

“These award-winning solutions were closely evaluated by our judges for not only their innovation, but the real results they brought to the organizations,” Brandon Hall Group Chief Executive Office Mike Cooke said. “That is what makes our technology awards program special – connecting creativity and innovation to direct business results.”

A panel of veteran, independent senior industry experts, and Brandon Hall Group senior analysts and executives evaluated the entries based upon the following criteria:

- Product: What was the product's breakthrough innovation?
- Unique differentiators: What makes the product unique and how (does it differ from any competing products?)
- Value proposition: What problem does the product solve and/or what need does this product address?
- Measurable results: What are the benefits customers can expect to (experience as a result of using this product?)
